Job Opportunities at HESL

HESL are always interested in talented individuals with the drive and flair to work within a young and dynamic company.

In particular we are keen to attract:

Tradesmen

HESL are always on the lookout for quality tradesman & apprentices to join our skilled workforce. We currently have vacancies for the following at Heathrow, Gatwick, and Stansted working with both our Projects and FM teams:

Carpenters, Joiners, Painters, Ceiling Fixers, Dryliners, Locksmiths, Handymen, Electricians, Plumbers, AC Engineers, Fridge Engineers & Catering Engineers.

Project Managers & Site Managers

You'll oversee a variety of high-profile projects, with values ranging from £20k to £1.5M. The challenge here goes beyond the day to day management of client relationships and co-ordinating the efforts of your team. You'll also be expected to contribute to the broader expansion efforts of the business.

If you think you have what it takes and are prepared to work hard for excellent rewards, personal development and contribute to the success of a business, which is going from strength to strength then contact us at jobs@hesl.com.

HESL is an Equal Opportunities Employer.
